Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or Single).—The entry in column 3 should be either M (married), S (single), Wd (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien. Thus, for example, Civil engineer, state army engineer, steam engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—*No* (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or People).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who therefore comes from Central Africa, the West Indies, Northern and South America, Europe, etc. No native African can properly be classed as a Negro unless he is actually of Negro blood, as explained in the preceding paragraphs.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in Northern Italy, the departments of Piedmont, Lombardy, Venetia, and Liguria, and the districts of Italy lying in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italian dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Lagunia, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or locality* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Fr. Weber, Surgeon of the KAISER WILHELM DER GROSSE sailing thereon, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors at the time of examination of the person at examination of alien arrivals.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing to-day, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of Pennsylvania, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived: as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.; and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should not be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Northern South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Kaiser Wilhelm der Grosse, sailing thereon, do solemnly, sincerely and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Leipzig; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, Dr Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 43 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wm. Black, Master (State whether Master, First or Second Officer), of the S.S. Kaiser Wilhelm der Grosse from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. Dr Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse, sailing thereon, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 20 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master (Whether Master, First or Second Officer.), of the S.S. Kaiser Wilhelm der Grosse from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 270 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer, polisher, molder, turner, or other indefinite designations."

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, R. Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing thereunto (Name in full) (Write "employed by" or "sailing thereunto" as the case may be.) do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets. 5 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

11—11

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wh Polacke, Master, of the S.S. Kaiser Wilhelm der Grosse from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 57 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Wh Polacke
Master. Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W'd (widowed), or D'd (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood carver, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, F. Weber, Surgeon of the S.S. „Kaiser Wilhelm der Grosse, sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Kildare, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 76 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch Polack, Master (State whether Master, First or Second Officer), of the S.S. Kaiser Wilhelm der Grosse from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend: steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. Weber, Surgeon of the KAISER WILHELM DER GROSSE (State whether Surgeon, sailing therewith or employed by owners thereof, as the case may be) sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Black, Master, of the H. H. Meier Alexander Group from Cherbourg, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 17 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(State whether Master, First or Second Officer.)

[illegible] Officer.

11—111

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr Weber, Surgeon of the U.S.S. Kaiser Wilhelm der Grosse sailing thereto, (State whether "surgeon sailing therewith" or "employed by owners thereof," as the case may be.) do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 65 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Dr Weber

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master, of the S. S. Kaiser Wilhelm der Grosse, Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 3 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Number on list). The number of age in column 2 should be expressed in years and months, the latter appearing as to the number of years last past.

Column 3 (Sex). Indicate by the letter M male and F female.

Column 4 (Married or single). Indicate by the letter S single, M married, W widowed, or D divorced.

Column 5 (Calling or occupation). The object is to obtain as complete a description as possible of the occupation (trade, profession, or kind of labor) of each alien arrived, as for example: Civil engineer, shipping engineer, locomotive engineer, engineer making engines or boats, pilot, wheelwright, weaver, blacksmith, wood turner, etc., and not simply as engineer, polisher, mender, farmer, or other indefinite description.

A distinction should be made between *professional* and *nonprofessional*, regardless of the amount of money shown as follows:

Professional persons who expect to practice a profession for themselves or others.

Nonprofessional persons who are not classed as laborers, but who are not professional persons.

Skilled and unskilled laborers. Care should be taken to distinguish between the skilled and unskilled laborers. Skilled laborers should be carefully classified, as for example: Bricklayers, carpenters, cabinetmakers, engravers, jewelers, locksmiths, machinists, millwrights, painters, plasterers, plumbers, printers, saddlers, shoemakers, tailors, tinners, weavers, and all other mechanics and artisans. Laborers should be described as such, and not simply as engineers, polishers, mechanics, farmers, or other indefinite descriptions.

Column 6 (Can read). Consular officers should record a "Yes" for persons who can read, whether they can write or not, and a "No" for persons who can neither read nor write. Persons who can read but not write should be recorded as "Yes."

Column 7 (Can write). Consular officers should record a "Yes" for persons who can write, whether they can read or not, and a "No" for persons who can neither read nor write. Persons who can read but not write should be recorded as "Yes."

Column 8 (Name and complete address of person purchasing ticket). Give name and complete address of person purchasing ticket.

Column 9 (Race or people). The entry in column 9 should show the race or people as generally understood. Specific attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing as a race or people means French by race or people, and similarly, "English" appearing as a race or people means English by race or people, and not by nationality. An alien who is Irish, Scottish, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north).

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which a alien resided with the intent to remain one year or more shall be the last permanent residence, regardless of length of actual residence there in. The entries in column 10 should show the *country of last* permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether has ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The people who are native to that portion of Italy south of the basin of the River Po (the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 10. Last permanent residence. An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent to remain during as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master, of the S. S., Kaiser Wilhelm der Grosse from Bremen, do
(State whether Master, First, Second, or Other Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Ch. Polack
Master. Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Line). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer. One who operates a farm, either his own land or others'.

Farm laborer. One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the case sheets, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write). Column 5 is subdivided and the entries therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specified, observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy—i. e., comprising the compartimenti of Piedmont, Liguria, Lombardia, and Venezia, and Umbria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po—i. e., the compartimenti of Liguria, Toscana, the Marches, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended resident of one year shall constitute permanent residence. The country in which alien resided with the intent not to remain one year, as long as one year, shall be the last permanent residence, regardless of length of actual residence there in. The entries in column 10 should show the *country, not the town*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town), or intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11-1115

Affidavit of Surgeon.

I, Dr. Fischer, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing this day, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 79 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Ed. Koch Master, of the [illegible] from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master. ~~Officer.~~

Sworn to before me this 1 day of [illegible], 190 ,

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry must be in black, as either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, glass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money brought at any time.

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes, can read and write), No (No, can neither read nor write), or Yes (No, can read but not write).

Columns 9 & 10 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

HEBREW.

The people who are native to the basin of the River Persian northeastern Italy, and from part of Austria, Asia Minor, and Turkey, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north).

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the basin of the River Po, comprising the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 12 (Last or former residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining during a period of one year shall be the last permanent residence, regardless of length of actual residence therein. The address in column 12 should show the *country, city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, intervening, or stage.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of person or persons in country whence alien came).—The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 14 should show definitely the place—city or town—of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 16 (Who whose own passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891-97, Philadelphia.

Column 19 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

34—115

Affidavit of Surgeon.

I, Dr Weber, Surgeon of the G.S.y Kaiser Wilhelm der Grosse sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 51 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this day of July, 190 .

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master, of the S.S. "Kaiser Wilhelm der Grosse" from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Ch. Polack
Master Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Clerk, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes Yes (can read and write), Yes No (can neither read nor write), or Yes No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartimenti of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartimenti of Emilia, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 10 should show the *country, and also the town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon or Medical Officer employed by owners thereof or otherwise as the case may be.)

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—111

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3: Age.—The return of age in column 3 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 4: Sex.—The entry in each case should be either M (male) or F (female).

Column 5: Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6: Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7: Able to read and write.—Column 7 as subdivided and the entries therein should be either Yes—Yes (can read and write) No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8: Nationality.—Column 8 should be so framed to mean the country of which immigrant is a citizen or subject.

Column 9: Race or people.—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., comparts out of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Perugia, Le Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian, south."

Column 10: Last permanent residence.—An intended residence for one year shall constitute permanent residence. The question in which alien is charged with the intent of remaining in a country for one year shall be the test of permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the country of last acquired permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien comes).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13: Whether having ticket through to such final destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14: By whom was passage paid.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15: Whether in possession of $50, and if less, how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master, of the S. S. Kaiser Wilhelm der Grosse, Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 19 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(State whether Master, First or Second Officer.)

Master. (Officer.)

Sworn to before me this 2 day of May, 1904,

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes (Yes—can read and write), No (No—can neither read nor write), or Yes (No—can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po, i. e., the provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect based on the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the compartments of Latium, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent not to remain as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the country, not city, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

Dr. Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse, sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 24 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood-turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm, for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*). Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (*Nationality*). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks on this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, North.

The people who are native to the basin of the River Po in northern Italy; i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (South).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 10 (*Last permanent residence*). An intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intention of remaining as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, district, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country or temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry in column 11 should give name and address of such relative or friend. If no such relative living, give name and address of friend.

Column 12 (*Final destination*). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (*Whether having a ticket to such final destination*). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe as completely as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Can read and write).—Column 7 is subdivided and the entries thereon should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be recorded as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be recorded as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining a year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entry in column 10 should show the *country* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11–1115

Affidavit of Surgeon.

I, Dr. Weber, Surgeon of the S.S. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master (State whether Master, First or Second Officer), of the S.S., Kaiser Wilhelm der Grosse from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2C in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Ch. Polack
Master. Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, who, after residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect or the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11-1115.

Affidavit of Surgeon.

I, Dr Weber, Surgeon of the U.S.S. Kaiser Wilhelm der Grosse sailing thereto, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 19 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Edward Foster, of the S. S. "Kaiser Wilhelm der Grosse" from Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 9 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation (trade, or profession) of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Can he read and write).—Column 7 is subdivided and the entries thereon should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., comprising Piedmont, Lombardy, Venetia, and Liguria, and their descendants, who, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect or the Italian language.

ITALIAN, SOUTHERN.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Umbria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining a year shall be the last permanent residence, regardless of length of actual residence thereon. The entry in column 10 should show the *country* and *alien race* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence (independent of country of temporary residence, nationality, or race).

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr. Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing herewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 70 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master (State whether Master, First or Second Officer) of the S. S. "Kaiser Wilhelm der Grosse" Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3: Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5: Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6: Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer, a one who operates a farm, either for himself or others.

Farm laborer, one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7: Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes or No. Yes (can read and write), Yes (can neither read nor write), or Yes (can read but not write).

Column 8: Nationality.—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9: Race or people.—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN—NORTH.

The people who are native to that portion of Italy north of the basin of the River Po, or the compartments of Piedmont, Lombardy, Venetia, and Tuscany, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a very good dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, or the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which a person resided with the intent to remain as long as one year, is the last permanent residence, regardless of length of actual residence there in. The entries in column 10 should show the *country, nationality or race* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States, and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: (Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12: (Final destination.)—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14: (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16: (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17: (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18: (Going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—115

Affidavit of Surgeon.

I, Dr. Weber, Surgeon of the S.S. Kaiser Wilhelm der Grosse sailing therewith, do solemnly, sincerely, and truly swear that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Heidelberg, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 44 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

It is important, for statistical purposes, that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether having ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 8 (Occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer.—One who operates a farm, either for himself or others.

Farm laborer.—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Can read and write).—Column 9 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy—i. e., comprising the provinces of Piedmont, Liguria, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gaelic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 12 (Last permanent residence).—An uninterrupted residence of one year shall constitute permanent residence. The last country in which alien resided with the intent mentioned during last year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 12 should show the *country* and the *city* or town of last permanent residence. It is important for statistical purposes that steamship companies invariably show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 14 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 16 (Whether in whole or in part paid by).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Columns 19 to 29.—**The answers in these columns are subject to revision by any inspection officer in the examination of aliens.**

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Ch. Polack, Master (state whether Master, First or Second Officer) of the D. D. Kaiser Wilhelm der Grosse Bremen, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 4 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years, or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes or No. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po and to the two compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian (north).

Column 10 (Last residence). Any intended residence for a year, but constituting permanent residence. The last country in which alien resided with the intention of remaining a year or more shall be the last permanent residence, regardless of length of actual residence therein. The entry in column 10 (and 11) is the *country* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the S/S AMERICA from [illegible] do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therein as a surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or a dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master.

Sworn to before me this [illegible] day of [illegible], 1906.

[illegible]
Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 3 should be given in years or months, the latter applying only to children under one year of age.

Column 2 (Sex).—Indicate by the word Male or Female.

Column 3 (Married or single).—Indicate by the word Married or Single.

Column 4 (Calling or occupation).—Every person, male or female, should have a calling or occupation. Wife, without occupation, should be returned as "Housework." Children should be returned as "Child," "Infant," "Boy," or "Girl," as the case may be. Laborers, without specification, should be returned as "Laborer."

Column 5 (Can read or cannot read).—Every alien who can understand some language should be returned as able to read. Persons who can read only characters or figures, and not words, should be returned as unable to read.

A distinction should be made between "cannot read" and "illiterate." The former only implies inability to read, while the latter implies lack of education.

A person who can read but not write should be returned as able to read, but not to write.

A person who can write but not read should be returned as able to write, but not to read.

Any person speaking English, and any person who can read any language, should be returned as able to read, unless it is known that he can not read, or unless he is returned as unable to read.

Persons speaking only languages which are not written should be returned as unable to read or write.

Column 6 (Can write or cannot write).—Every person who can write any language should be returned as able to write, unless it is known that he can not write, or unless he is returned as unable to write.

Column 7 (Height).—Every person should be returned as of "average" height, unless he is known to be "under" or "over" average height, in which case he should be returned as "under" or "over."

Column 8 (Color of hair and color of eyes).—Every person should be returned as having hair and eyes of some color, and should be returned as having "dark," "light," "medium," "sandy," "gray," "bald," or "red" hair, and "dark," "light," "gray," "blue," or "hazel" eyes, as the case may be.

Column 9 (Whether married or single for each adult female, age 15 and upward).—Every female alien coming to the United States, but not intending to join her husband, should be returned as "single" for the purpose of this column, whether she be married or single. Widows should be returned as "widow." Children and "tourists" under 15 years of age should be left blank.

Column 10 (If joining husband, and his name and address).—Every female alien who is married and coming to the United States to join her husband should be returned as "married," and should also be returned as coming to join her husband, and the name and address of her husband should be given. (Yes. Name and address of husband.)

Column 11 (Nationality).—Citizen should be construed to mean the country of which immigrant is a citizen or subject.

Column 12 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and receiving clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

[illegible]

EAST INDIAN.

[illegible]

CHINESE.

[illegible]

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as: self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as: 1894-97, Philadelphia.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1, No.—The entries in column 1 should be numbered consecutively, beginning with number 1.

Column 2, Name.—The surname of each alien should be entered, followed by the Christian name and middle initial, if any.

Column 3, Nearest relative or friend in country whence alien came.—The entry in column 3 should show the name and address of such relative or friend as the alien states he is going to, or was last with in the country whence he came.

Column 4, Final destination.—The entry in column 4 should show definitely the place (city or town) of final destination, within the United States, country, if outside the United States.

Column 5, Whether having ticket through to such destination.—The entry in column 5 should be either Yes (ticket) or No (no ticket).

Column 6, Whether in possession of money, and if less than $30, how much.—The entry in column 6 should be either Yes (money) or No (no money). If the alien has money, the amount should be stated in even dollars, as shown by the Yes. Yes or No must be entered in every case. No entry other than Yes or No can be permitted.

Column 7, Nationality.—Column 7 should be considered to mean the country of which immigrant is a citizen or subject.

Column 8, Race or people.—The entry in column 8 should show the race or people as known in his or her country of origin.

Special attention should be paid to the distinction between race or nationality and nativity, and manifests should be carefully revised by masters and others with this in view. For instance, "Finn" appearing as a race or people should not be treated as synonymous with "Russian" as to nationality. Similarly, "French" appearing as a race or people does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race or people might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the native Africans (Negroes), or descendants of such people who were born in the West Indies, Central or South America, Europe, or elsewhere outside the United States, but not including Negroes born in the United States, who should be described as to race or people as "Negro."

EGYPTIAN.

The people who are natives of the Nile Valley in northeastern Africa, and their descendants. The term "Egyptian" does not include Negroes, Copts, Abyssinians, Nubians, Soudanese, Arabs, Berbers, Moors, Syrians, Armenians, Turks, Kurds, Jews, Gypsies, or Greeks. Egyptians may be described as to race or people as "Egyptian" or "Nile Valley native." Masters should be specially careful that the foregoing instructions in regard to Egyptians are observed.

TURKISH (NOT JEW).

The people who are natives of Turkey in Europe or Turkey in Asia, including Armenians, Kurds, Syrians, Arabians, Greeks, Albanians, Montenegrins, Bulgarians, Servians, Roumanians, Circassians, Georgians, Persians, Afghans, Beluchistanians, Thibetans, Hindoos, Siamese, Chinese, Japanese, Koreans, Malays, Polynesians, Australians, Tasmanians, and natives of the Pacific Islands, and their descendants, born in their native country, who are not Jews, Negroes, Egyptians, Abyssinians, Nubians, Soudanese, Arabs, Berbers, Moors, Turks, Kurds, Jews, Gypsies, or Greeks.

Column 9, Last permanent residence.—The entries in column 9 should show the country in which the alien has had his or her last permanent residence. Entries should not be made for temporary visits abroad for pleasure or business purposes. The entry should be the name of the country, not the city or town, and should be entered, for example, United States or country of last permanent residence, not Boston, Mass., or Paris, France.

Column 10, Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 10 should show the name and address of such relative or friend as the alien states he is going to, or was last with in the country whence he came.

Column 11, Final destination.—The entry in column 11 should show definitely the place (city or town) of final destination, within the United States, country, if outside the United States.

Column 12, Whether having ticket through to such destination.—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13, If any relative or friend, state relationship.—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14, Whether in possession of $50, and if less, how much.—The entry in column 14 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 15, Whether ever before in the United States, and if so, when and where.—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16, Going to join relative or friend; and if so, what relative or friend.—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I [illegible], Surgeon of the [illegible] S/S AMERICA, do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the above-named aliens, and that the foregoing Lists or Manifest Sheets [illegible] numbered, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the S|S AMERICA, from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel acting by myself, a surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from such personal investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting a belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Officer.

Sworn to before me this [illegible] day of [illegible], 1904.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The entry of age in column 5 should be expressed in years or months, the latter preceded by "M." and followed by period.

Column 6 (Sex).—The entry in column 6 should be "M." for male or "F." for female.

Column 7 (Married or single).—The entry in column 7 should be "M." for married or "S." for single.

Column 8 (Occupation).—The entry in column 8 should show the occupation of each alien named, if any, whether skilled or unskilled, as, for example, "farmer," "laborer," "servant," "mechanic," "engineer," "clerk," "tailor," "seamstress," "milliner," "dressmaker," "no occupation," etc. Persons of the professional class should be specified as such, as "lawyer," "physician," "surgeon," "minister," "professor," "teacher," "author," "editor," "musician," "actor," "artist," "lecturer," etc. Persons having no occupation, such as housewives, children under working age, and persons of leisure, should be returned as "none." Do not return laborers as "farmers" unless they are actually employed in farming.

Column 9 (Can read).—Every alien who can read the English language or any other language or dialect must be returned as able to read. The fact that an alien can read shows that he has had the opportunity for education, and the ability to read is accepted as the best evidence of literacy. Where the alien can read more than one language, that fact should be indicated in the entry, as "Can read English and German," "Can read Hebrew and Russian," etc. Aliens who can not read, but who can write, may be returned as able to read, but the fact that they can write only should be indicated in the entry, as "Can write only." Aliens who can neither read nor write must be returned as unable to read.

Column 10 (Can write).—Every alien who can write a language or dialect must be returned as able to write. Where the alien can write more than one language, that fact should be indicated in the entry, as "Can write English and German," "Can write Hebrew and Russian," etc. Aliens who can not write must be returned as unable to write.

Column 11 (Country of birth).—The name of the country of birth should be stated in the entry in column 11, as "Germany," "Ireland," "Russia," "Sweden," "France," "England," "Scotland," "Wales," "Italy," "Spain," "Portugal," "Holland," "Belgium," "Switzerland," "Denmark," "Norway," "Greece," "Turkey," "Austria-Hungary," "China," "Japan," "India," "Mexico," "Cuba," "West Indies," "Central America," "South America," "Australia," "New Zealand," "Africa," "Arabia," etc.

Column 12 (Race or people).—The entry in column 12 should show to what race or people each alien belongs, as "Anglo-Saxon," "Negro," "Irish," "German," "Italian," "Bohemian," "Magyar," "Polish," "Russian," "Finnish," "Dutch," "Flemish," "French," "Scandinavian," "Spanish," "Portuguese," "Mexican," "Indian," "Chinese," "Japanese," "Hebrew," "Ruthenian," "Turanian," "Slovak," "Croatian," "Servian," "Bulgarian," "Dalmatian," "Greek," "Armenian," "Syrian," "Arabian," "Turkish," "Pacific Islander," "East Indian," etc.

Special attention should be paid to the distinction between race and nationality, and entries should be confined strictly to the race or people to which each alien belongs. For instance, "Scotch" or "Welsh" should not be returned as the race or people of an alien, but as his nationality. Persons of different races sometimes come from the same country, as Germany, which contains Germans, Poles, Bohemians, Hebrews, etc. Persons of the same race sometimes come from different countries, as Negroes from the United States, Cuba, Haiti, Jamaica, and Africa. Care should be taken to distinguish between natives of the different countries of North and South America. The following instructions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (Black) refers to the Negroes of [illegible].

HEBREW (NOT JEW).

The word "Hebrew" appears in the Race or People column to designate persons of the Hebrew race, irrespective of their religious faith or nationality. Many of the people of Russia, Austria-Hungary, Germany, and other countries are Hebrews.

JEWISH (RELIGION).

The word "Jewish" refers to the religion professed by the people of Israel, Hebrews, Portuguese, Spanish, German, Polish, Russian, Austrian, Hungarian, Roumanian, Turkish, Persian, Arabian, Egyptian, Abyssinian, Indian, Chinese, Japanese, and other Hebrews who profess the Jewish religion.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should show the name and address of such relative. If no such relative living, given, or desired, so state.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) of the destination of each alien in the United States, country if out of the United States.

Column 15 (Whether having tickets through).—The entry in column 15 should be "Yes" (or "Y.") or "No" (or "N.").

Column 16 (Whether in possession of $50 and by whom furnished, if less, how much).—The entry in column 16 should show whether each alien has in his possession at the time of landing fifty dollars in money, or more, and by whom furnished, and if less than fifty dollars how much money he has in his possession at the time of landing. Any amount of money over fifty dollars, no matter in whose possession it may be found, should be considered sufficient.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether each alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entry in column 18 should show whether or not "Yes" or "No," as the case may be, in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

S/S AMERICA

I, [illegible], Surgeon of the [illegible], do solemnly swear that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Name).—The names of all persons coming to the United States must be given in full, the family name or surname being written first, followed by the Christian name or given name, and the middle name, if they have one. Initials will not be sufficient. The names of all members of the same family must be written in the same way.

Column 2 (Age).—The age of each person must be given, and entered in the proper column as a number. If under 1 year, the age must be stated in months, the letter or figure being preceded by a fraction, thus: 1/12, 2/12, 3/12, etc.

Column 3 (Sex).—Write "male" or "female," as the case may be, according to the sex of the person.

Column 4 (Married or single).—The entry in column 4 should be "married" or "single," as the case may be. Widows and widowers should be returned as "single." Divorced persons should be returned as "married" if they have the right to remarry, and as "single" if they have not the right to remarry.

Column 5 (Calling or occupation).—The entry in column 5 should be carefully made, as indicating the occupation most likely to enable the immigrant to procure employment. Do not return laborers, servants, or persons of no occupation as "farmers." Do not return persons as "clerks" unless they have been employed in clerical positions. Persons formerly employed as clerks, but now doing other work, should be returned as what they are now doing. Persons of all occupations, including professional men, should be returned as specifically as the above examples indicate. Women and children should be returned as having occupations, if they have been employed at work for wages or salary, or in a business of their own, or on a farm, or at any other gainful occupation, and not otherwise. Infants and children not at work should be returned as having no occupation.

Column 6 (Can read).—Persons who can read any language, including their own, should be returned as able to read. Persons who can read only characters or figures, and not ordinary sentences, should be returned as unable to read.

Column 7 (Can write).—Persons who can write any language, including their own, should be returned as able to write. Persons who can make only their signatures, but cannot write sentences from memory or dictation, should be returned as unable to write.

Column 8 (Last residence).—The entry in column 8 should be the name of the country in which the immigrant has last resided. Where the immigrant has resided in more than one country for a year or more, the country in which he has resided for the longest time during the last five years should be returned. Where the immigrant has resided for equal periods in two countries during the last five years, the country in which he has resided the longer time prior to the last five years should be returned. Where the immigrant has resided for equal periods in two countries during more than five years, the country in which he has resided the longer time prior to coming to the United States should be returned.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list in back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An Italian who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to all Negroes (not including Cubans, West Indians, Haitians, or Spanish-Americans).

HAITIAN (NEGRO).

The term "Haitian" refers to the Negroes of Haiti.

ITALIAN.

The people who emigrate to the peninsula that bounds the Gulf of the Republic of Italy on the north, the Mediterranean Sea on the west, the Adriatic Sea on the east, and Austria on the northeast, including Sicily and Sardinia and their dependencies, are to be returned as "Italians."

Column 10 (Final destination).—The entry in column 10 should show the *country of last permanent residence*. The important fact to be ascertained for statistical purposes is the country of last permanent residence, independently of country of temporary residence, nationality, or race.

Aliens who have permanently abandoned the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having prepaid whole or part of alien's passage).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA, hereby make oath and solemnly swear, each for myself, that I have had [illegible] years' experience as a Physician and Surgeon, and that I am duly entitled to practice as such by and under the statutes of the [illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Sex). The word "Male" or "Female" should be entered in this column.

An alien who is Irish, German, or Hebrew by race may be of any nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the S|S AMERICA, from [illegible], do solemnly, sincerely, and truly declare, That I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this 12 day of [illegible], 1903.

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at the time of arrival; as for example Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrived.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those intending only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any one whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies enter in column 10 the country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States the country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative, if no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination or not).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S.S. AMERICA, [illegible], do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the United Kingdom, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

S/S AMERICA

I, [illegible] (State whether Master, First or Second Officer), of the [illegible], from Genoa, do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male), or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 23.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. [illegible], Surgeon of the S.S. AMERICA, [illegible] (state whether regularly or otherwise employed by company referred to), do solemnly, sincerely, and truly declare that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Peter [illegible], Surgeon of the S/S AMERICA, sailing thereon (Write whether Surgeon employed by owners thereof, acting on behalf of owners, or otherwise), do solemnly, sincerely, and truly declare that I have had 17 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master (State whether Master, First or Second Officer), of the AMERICA, from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this 12 day of [illegible], 1902,

at [illegible]

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow(s)), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend: steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Renazza Ettore, Surgeon of the S/S AMERICA, sailing the [illegible], do solemnly, sincerely, and truly declare that I have had 17 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon employed by or acts thereof, as the case may be.)

E. Renazza

I, [illegible] (State whether Master, First or Second Officer) of the AMERICA, from ....., do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lisis or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, wh... islands of the West Indies, North or South America, F... appearance indicates an admixture of Negro blo... heading.

Column 10 (Last permanent residence).—The entries in ... olumn 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widow(er)), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. "Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Axil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA, sailing thence [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of **the Italian Government**, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

AMERICA

I, Walter (Ask whether Master, First or Second Officer) of the Ellaro, from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. Radicopoli
Commanding Officer.

11—111

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S.S. AMERICA, sailing thereon, do solemnly, sincerely, and truly declare that I have had 1st years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show **definitely** the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. [illegible] Vittorio, Surgeon of the S/S AMERICA, sailing therewith, do solemnly, sincerely, and truly declare that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [redacted], of the AMERICA, from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [redacted] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[redacted]
Commanding Officer.

Sworn to before me this 12 day of July, 1907,

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, steel engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes- No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

***Column 11* (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.**

***Column 12* (*Final destination*).—The entry in column 12 should show the place (city or town) of final destination, if within the United States; if [redacted] the United States.**

***Column 14* (*Whether having a ticket to such final destination*).—The [redacted] column 14 should be either Yes (ticket) or No (no ticket).**

***Column 15* (*By whom was passage paid*).—The entry in column 15 should [redacted]nitely by whom passage was paid, as self; husband, father, brother, or [redacted] relative; friend; steamship company, etc.**

***Column 16* (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.**

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible] Villani, Surgeon of the S/S AMERICA, sailing therewith, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master (State whether Master, First or Second Officer), of the AMERICA, from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11-111

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S.S. AMERICA sailing thence [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 4 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes–Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether of the islands of the West Indies, North or South America, Europe, or elsewhere, whose appearance indicates an admixture of Negro blood shall be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, comprising the compartments of Piedmont, Lombardy, Venetia, and Emilia, and those who, although residing in Italy, Switzerland, Austria Hungary, or elsewhere, are descendants of persons classed as "Italian (north)." Most of these people speak a Gallic language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and those who are descendants of persons born in these compartments should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, and should be used for statistical purposes that steamship companies accurately show the last permanent residence independent of country of temporary residence, if any.

Aliens who are permanent residents of the United States, returning from a visit abroad, should be recorded on manifests as of last permanent residence.

Column 11 (Name and complete address whence alien came).—The entry in column 11 should show the name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, and if outside the United States.

Column 14 (Whether having a ticket to [illegible] entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid, [illegible] 15 should show definitely by whom passage was paid, as self, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession [illegible] *such*).—The entry in column 16 should give in each case (including that of the head of a family) the exact amount of money shown. Money brought by the head of a family should be stated as applied among the several members of the family.

Column 17 (Whether ever before in [illegible] *so, when and where*).—The entries in column 17 should show whether the alien has been in the United States before; and if so, the year (or period of years) and place (as 1896-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, cultivator, stated by a person [illegible] engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia), and those aliens, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. Pouit (Name whether Master, First or Second Officer), of the [illegible], from [illegible], do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter apply ing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 14 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Vincenzo Fillarei, Surgeon of the S.S. AMERICA, sailing through, do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

AMERICA

I, [illegible] (State whether Master, First or Second Officer) of the [illegible], from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Commanding Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show [illegible] by the place (city or town) of final destination, if within the United States; [illegible] outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Luigi Villeri, Surgeon of the S|S AMERICA, sailing therewith, do solemnly, sincerely, and truly declare that I have had 7 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (Master, First or Second Officer), of the AMERICA, from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible] Vittori, Surgeon of the S/S AMERICA, sailing therewith, do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] of the AMERICA from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Northern or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place: as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 13 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S.S AMERICA sailing through, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (Name of Master, First or Second Officer), of the [illegible], from NA[illegible], do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11—

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA sailing the [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA, sailing the [illegible], do solemnly, sincerely, and truly declare that I have had 17 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter apply only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or, back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

AMERICA, sailing th[illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the S[illegible] AMERICA from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the actual occupation, trade, or profession of each alien arrival, as for example, civil engineer, station agent, engineer, locomotive engineer, manufacturer, brass polisher, steel polisher, iron molder, wood turner, tailor, and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North, or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Giuseppe Cattaneo, Surgeon of the S/S AMERICA, sailing thereon, do solemnly, sincerely, and truly declare that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 131 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the AMERICA, from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Commanding Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these peoples speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA sailing thence [illegible], do solemnly, sincerely, and truly declare that I have had 13 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian [illegible] and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

TOTALS.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer), of the AMERICA, from NAPOLI, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Commanding Officer.

Sworn to before me this 1st day of July, 1904,
at [illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under the heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and places as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Bonazza Alberto, Surgeon of the S/s AMERICA, sailing therewith, do solemnly, sincerely, and truly declare that I have had 17 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

[illegible]tion should be paid to the distinction between race and nationality, and [illegible] be carefully revised by inspectors and registry clerks in this regard. "France" appearing on a manifest does not necessarily mean "French" by [illegible]nd similarly, "French" appearing on a manifest does not necessarily [illegible] nationality. An alien who is Irish, German, or Hebrew by race [illegible]nder the heading of United Kingdom or any other country by [illegible]nection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible] Clifton, Surgeon of the S/S AMERICA, [illegible], do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow or widower), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engine, locomotive engineer, mining engineer, brass polisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of all alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—11½

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

S/S AMERICA

I, Bruce Litton, Surgeon of the . . . . . do solemnly, sincerely, and truly declare that I have had 1 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Federal Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ... in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

TOTALS.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, master (state whether Master, First, or Second Officer) of the S S AMERICA, from [illegible], do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list or, back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Ferruccio Ceffoni, Surgeon of the S/S AMERICA, do solemnly, sincerely, and truly declare that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, [illegible], Surgeon of the S/S AMERICA, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Government.

and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA, do solemnly, sincerely, and truly declare that I have had 17 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], (Name and official character of Master, First or Second Officer.) of the S/S AMERICA from [illegible], do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Renato Vitori, Surgeon of the S/S AMERICA, do solemnly, sincerely, and truly declare that I have had 17 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Italian Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wagner, Master, of the S.S. AMERICA, from Naples, do solemnly, sincerely, and truly depose that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [blank] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

S.S. AMERICA

I, Frizzia Clifford, Surgeon of the ..... do solemnly, sincerely, and truly declare, that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Crown; and that I have made a personal examination of Livermore each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who, in appearance, indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

TOTALS.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Officer (Master, Commanding Officer, First or Second Officer) of the S|S AMERICA from Egypt do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 6 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

Column 11 (Name and complete address of near st relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S.S. AMERICA, [illegible], do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Actor, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro, who if coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa, and who, in appearance, indicates an admixture of Negro blood, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia, and the provinces of Novara, Belluno, according to Italy, Switzerland, Austria-Hungary, and other countries, should be classed as "Italian (north)." Most of these people speak the dialects of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the Provinces of Leghorn, Tuscany, Umbria, Marches, Rome, the Abruzzi and Molise, Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S/S AMERICA, do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], Master (Name of Master, First or Second Officer), of the AMERICA, from NAPOLI, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master (Name of Master, First or Second Officer).

Sworn to before me this 1st day of June, 1906, at [illegible] Harbor.

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the U. S. AMERICA, [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] Government; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

SUPPLEMENTAL INFORMATION REQUIRED BY NATURALIZATION ACT APPROVED JUNE 29, 1906.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the AMERICA from NAPOLI, do solemnly, sincerely, and truly Allare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lisis or Manifest Sheets. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—Every male alien should be either M (male), or F (female).

Column 5 (Marital condition).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engineer, locomotive engineer, running engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], [illegible] Surgeon of the S[s] AMERICA, do solemnly, sincerely, and truly declare, that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Parliament [illegible] and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists of Manifest Sheets, the number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5, Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern, South, Central America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age).—The return of age in column 3 should be given in years or months, the latter applying only to children under 1 year of age.

Columns 2 (Sex).—The entry in column 2 should be M (male) or F (female).

Columns 3 (Married or single).—The entry in column 3 should be M (married), S (single), W (widow), or D (divorced).

Columns 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation (trade or profession) of each alien 14 years of age and over. Children should be returned as "at home" or "at school," as the case may be. Such terms as "laborer," "gentleman," "lady," "servant," "boy," "girl," "child," "man," "woman," "farmer," "clerk," "merchant," "agent," "engineer," "mechanic," "tailor," "dressmaker," or other indefinite descriptions are not sufficient.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money owned, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm but does not operate it.

Steamship companies should make this distinction on the inspection and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Columns 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An Italian who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, Haiti, Spanish Main, West Indies, Northern South America, Europe, or Africa. [illegible] indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be known as "Italian (north)." Most of these people speak a Gallic dialect of the Lemosin language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classified as "Italian (south)."

Column 7 (Last permanent residence).—The entries in column 7 should show the *country, and city or town* of last permanent residence. It is important, for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 14 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible] C Urman, Surgeon of the 2nd Upham, female Institution, do solemnly, sincerely, and truly declare, That I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Edinburgh University & Cincinnati Medical Board, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, two in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Rankine, Master of the S.S. Britonia, from the Phoenix Line, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*). The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish [illegible]

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relatives or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter to apply only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either "M" (male) or "F" (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, or turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, as the amount of money shown, as a rule, differs.

A farmer is one who operates a farm, either his own or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this instruction on the immediate and correction should be made, if necessary, by inspectors and registry clerks during the course of examination of alien arrivals.

Aliens intending to pass the night and not of the United States, or returning resident, under heads of occupation as "in transit," "just arrived," "temporary visitor in the United States, but not intending to permanently remain," "traveling for pleasure," "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 should be filled in with one of the following entries: Yes (Yes, can read and write), No (No, can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBA.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH AMERICA.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the native Negro race, whether from Cuba or other part of the West Indies, North or South America, Europe, or Africa. Any alien of African race indicates an admixture of Negro blood, and should be classified under this heading.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po, in northern Italy, as comprising the provinces of Piedmont, Lombardy, Venetia, Liguria, Emilia, and Romagna, as distinguished from those living south of the Apennines, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect. Of the Italian, see page 10.

ITALIAN (SOUTH).

The people who are native to that portion of Italy comprising the basin of the River Po, i. e., comprising the provinces of Lucania, Puglia, Calabria, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Basilicata, Calabria, Sicily, Sardinia, and Elba, and their descendants, should be classed as "Italian (south)."

Column 10 (Last previous residence).—The entry in column 10 should show the *country* and *city or town* of last permanent residence of each alien. The most important for statistical purposes that desired from persons coming from foreign countries is last permanent residence, unless it be for a country of temporary residence, not that of birth.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be credited to the United States as the country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and relationship of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of intended destination, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative or friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 16 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, , of the , from , do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation (trade, profession, or kind of work) of each alien arrival. Use simple terms, such as "laborer," "servant," "clerk," "farmer," "seamstress," "tailor," "shoemaker," "blacksmith," "carpenter," "engineer," "machinist," "painter," "printer," "stone mason," "weaver," "miner," "cook," "baker," "butcher," "barber," "hostler," "driver," "merchant," "peddler," "shoe polisher," "tinsmith," "moulder," "wood turner," etc. Avoid such terms as "laborer," "worker," "operative," "dealer," or other indefinite designations.

A distinction should be made between "farmer" and "farm laborer," regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this instruction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrival.

Aliens intending to pass through and not to the United States should not be recorded under head of occupation as "in transit." Those coming only for a temporary visit to the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 6 (Able to read and write).—Column 6 should be divided into two parts, the entry therein should be either Yes—Yes (can read and write); No—No (can read) or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, which is coming from Cuba or other islands of the West Indies, North or South America, Mexico, etc. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, or northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and who should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country, not city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible]; do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing List or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entry in each should be either Yes (can read and write), No (can neither read nor write), or Yes—No (can read but not write).

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people [illegible] Norwegians, Danes, and Swedes).

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent reside[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1884–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the T/S S AL.GE . from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr C. Flax, Surgeon of the U/S ..., [illegible] do solemnly, sincerely, and truly swear that I have had 7 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ... in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly swear that I have had 7 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] of [illegible]; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether employed by contract or otherwise, and if by contract, name contractor, if known.)

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes–Yes (can read and write), No—No (can neither read nor write), or Yes–No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the T/S [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had 7 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon "sailing thereon (1)" or "employed by owners thereof," as the case may be.)

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer), of the T/S S PLICE, from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes - No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—111a

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, , *of the* *from* , *do solemnly, sincerely, and truly* that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engineer, clerk, cook, boot maker, engineer, brass polisher, steel polisher, machinist, moulder, tinner, or other definite description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for some person who operates it.

Should specific parties should make the determination on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the actual examination of alien arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupations as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through, in transit, should be classified as "tourists," under head of occupation.

Column 7 (Able to read or write).—Column 7 is exclusively for the entries therein should be either Yes (can read) or No (can neither read nor write), or Yes (can read) or No (can write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people; and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any mixture of appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 2 (Sex).—The word male or female should be written in full.

Column 3 (Married or single).—The word married or single should be written in full.

Column 4 (Occupation).—Every person 10 years of age and over, if able to do so, must report his occupation. The word "laborer" should not be used except to designate persons who perform unskilled labor. Common laborers should be distinguished from laborers in particular trades, and the latter should be described by the trade at which they usually work, such as bricklayer, carpenter, engineer, farmer, etc. Persons formerly engaged in gainful occupations, but not actually employed at the present time, should be returned according to their former occupations, with the word "former" added, as "former merchant," "former clerk," etc. Persons of leisure or women doing housework in their own homes should be returned as such. Do not return merely the word "servant" or "laborer" in connection with any occupation, but specify the character of service rendered or labor performed, as "domestic servant," "farm laborer," "coal miner," etc. Where a person has been employed at a certain occupation for a considerable time, but is temporarily out of employment, the occupation should be returned, with the word "temporarily" added. Where a person has more than one occupation, the principal one should be returned. Persons having no occupation must be returned as such.

Column 5 (Can read).—Every person admitted must be able to read the English language or some other language or dialect. Persons who can read only in raised characters, such as the blind are taken to be able to read. Persons who can read only the characters of a musical score are not to be considered able to read.

Column 6 (Can write).—Every person admitted must be able to write his own name. Persons who can write only in shorthand are to be considered able to write.

Column 7 (Can both read and write).—Column 7 is combined with column 6, and the return should be either Yes or No. Yes means can read and write. No means cannot read and write, or cannot do either. Yes or No to cover both columns 6 and 7 is not sufficient.

Column 8 (Nationality).—Column 8 should be answered to show the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and might should be carefully revised by inspectors at ports of debarkation. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, which is coming from Cuba or other islands of the West Indies, Negroes of South America, or the pure African Negro, regardless of the fact that he may have an admixture of Negro blood should be classified under this heading.

ITALIAN (SOUTH).

The people who are native to the southern part of Italy. Italy proper refers to Italy as a whole, comprising the entire Kingdom of Italy, and Italian refers to the people of Italy as a whole. Southern Italy, Northern Italy, Central Italy, Sicily and Sardinia are terms descriptive of the natives of those localities. The people of Southern Italy, Sicily and Sardinia are known as "Italian (south)." Most of these people speak a dialect of the Roman language.

HEBREW (not a race).

The people who are native to the countries bordering on the basin of the River Danube, comprising Hungary, Bohemia, the Austrian Provinces of Galicia and Bukowina, Roumania, Servia, Montenegro, Bulgaria, Turkey in Europe, Greece, Dalmatia, Croatia, Slavonia and Bosnia and Herzegovina are known as Hebrews, race or people.

Column 10 (Last permanent residence).—The entry in column 10 should show the country of last permanent residence. The term "United States" is not to be used for this purpose, that is, unless the alien has resided in the United States for a year or more immediately prior to sailing. Where the alien has resided in the United States for a year or more immediately prior to sailing, the city or town of his last permanent residence in the United States should be returned.

Aliens who state permanent residence in the United States and are returning from a visit abroad should be recorded on manifests as to last permanent residence in the United States.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should show the name and address of such relative. If unmarried, his father, mother, guardian, etc., is to be stated.

Column 12 (Ultimate destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid as self, husband, father, brother or other relative; friend, steamship company, etc.

Column 15 (Whether in possession of $; and if less than $50, how much).—The entry in column 16 should be yes or no, as the case may be, and if yes the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in United States, and if so, when and where).—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1895, Philadelphia.

Column 17 (Whether going to join an relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am duly qualified to practice as such in and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] to number, are a correct list to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months; the full age last birthday and to those under 1 year of age.

Column 5 (Married or single).—The entry in column 5 should be either M (married) or S (single).

Column 6 (Whether married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, all persons engaged in domestic service should be returned as cooks, waiters, housemaids, laundresses, etc., and not simply as servants; mechanics should be returned as bakers, blacksmiths, boilermakers, brewers, bricklayers, cabinetmakers, carpenters, coopers, engineers, founders, machinists, millers, painters, plasterers, plumbers, potters, tailors, tinners, weavers, etc., and not simply as mechanics; laborers should be returned as agricultural laborers, coal miners, factory laborers, farm laborers, gardeners, lumbermen, railroad laborers, stonecutters, teamsters, etc., and not simply as laborers.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in Column 8.

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

So much precision [illegible] could make this distinction, and corrections should be made of incorrectly classified inspectors and transportation clerks, during the period of examination at place of arrival.

Aliens intending to pass through and not to remain in the United States should be recorded under the head of occupation as "in transit," those arriving and intending to remain in the United States but not knowing to pass through to some point should be classed as "tourist" under head of occupation.

Column 8 (If in possession of $50 and upwards).—Column 7 is divided, and the entry therein should be either Yes (Y) or No (N). Yes (Y) can be read as well as written. No (N) can be read as well as written.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors in charge to the end that For instance, France "appearing on a manifest does not necessarily mean French by race or people, and similarly French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom [illegible] any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (Black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, European or African ports. Any alien whose appearance indicates an admixture of Negro blood should be classified under the heading

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and those descendants who (not residing in Italy, Switzerland, Austria-Hungary, or the adjacent islands) should be classed as "Italian (north)." Most of the people in Gaul, dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 10 should show the country of last permanent residence. It is important for statistical purposes that strenuous precautions be made to show country of last permanent residence independent of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and who return from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 14 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives; friend, steamship company, etc.

Column 16 (Whether in possession of $—, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1903, Philadelphia).

Column 18 (Going to join relative or to what friend or for what relative or friend).—The entry in column 18 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible]; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, numbered [illegible], are, according to the best of my knowledge and belief, full, correct, and true in all particulars, except as to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, stating specifically the exact employment, as, for example, a compositor, engineer, tailor, clerk, or bookkeeper, stock-herder, stock-raiser, weaver, etc., and not merely as a laborer, gentleman, lady, farmer, or other indefinite description.

A distinction should be made between *farmer* and *farm laborer*, and also as to the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the real or reputed owner of it.

Steamship companies should make this information as correct and full as possible, and corrections should be made at the proper time by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and not to land in the United States should be recorded under the head of "Through passengers in transit," those coming only to a temporary sojourn in the United States but not intending to pass through in transit should be classed as "tourist" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes, can read and write), No (No, can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in full on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks on this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who by appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN—NORTH.

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia), as distinguished from the inhabitants of other parts of Italy, Switzerland, Austria-Hungary, etc., sometimes erroneously called by the so-called as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or place of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to said final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should be definitely by whom passage was paid as sent; husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (each final or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 24.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, as regards to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under one year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widow), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should be the specific calling or occupation of the person, as stated by him. Labor, skilled or unskilled, should be specified as such, and not simply as "laborer." Persons formerly engaged in any trade or profession, or having any occupation, should be returned as such, although at present they may be without employment. Such occupations as "gentleman," "lady," "student," "clerk," "boy," "girl," "child," "none," and the like, are not sufficiently descriptive.

A "farmer" should be specified between "farmer" and "farm laborer," as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should make the entry in column 7 conform to the above instructions, and corrections should be made if necessary by inspectors and registry clerks at the time of the examination of alien manifests.

Aliens intending to pass through and not to the United States should be recorded under the head of occupations as "in transit." Those coming to a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 8 (Able to read or write).—Column 8 needs no explanation. The entries therein should be either Yes or No. Yes can read and write. No. No can neither read nor write. Yes. No can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list or, in case of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who is coming from Cuba or other island in the West Indies, Central or South America, Europe or Africa. Any of the above appellations indicates an admixture of Negro blood and should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in the northern Italian peninsula, comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia, and those born in the Italian cantons of Switzerland touching thereon. All persons born in the provinces of Italy south of the basin of the River Po, including the provinces of Leghorn, Florence, Perugia, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, cannot be classed as "Italian (north)."

Column 11 (Last permanent residence).—The entry in column 11 should show the country of last permanent residence. It is important for statistical purposes that to each person coming merely for a temporary sojourn the country of last permanent residence independent of the country of temporary residence, nationality, or race.

Aliens without permanent residence in the United States and who are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative has any, name and address of friend.

Column 13 (Ultimate destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 14 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relatives or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

I, [redacted] *, of the* [redacted] *, from* [redacted] *, do solemnly, sincerely, and truly* [redacted] *, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* [redacted] *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widower), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, tailor, coal miner, laborer, servant girl, not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction, and the manifests and corrections should be made, if necessary, by inspectors and reputable clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Y—No (can read but not write).

Column 8 (Nationality).—Columns 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and reputable clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venice, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere in the country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence and not place of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, . Surgeon of the . do solemnly, sincerely and truly that I have had years' experience as a Physician and Surgeon, and that I am duly qualified to practice as such in and am employed by the and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, so far as the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The entry in column 1 should be expressed in years or months after the last birthday.

Column 2 (Sex). The entry in column 2 should be M for male and F for female.

Column 3 (Married or single). The entry in column 3 should be M for married, S for single, W for widowed, or D for divorced.

Column 4 (Occupation). The entry in column 4 should show the occupation of each alien having one, whether skilled or unskilled, as nearly as possible.

A description should be given of any [illegible] the occupation of the alien.

Laborers are those who perform work of a crude character, not requiring skill.

Farmers are those who cultivate the soil, whether for themselves or others.

Servants are persons who render personal service for hire.

Special inquiry should be made of all persons coming to the United States who declare that they are coming to this country under contract or agreement, express or implied, to perform labor, in order that the fact may be ascertained and the immigrant debarred from landing.

Aliens coming to the United States to follow a trade or profession should have the fact recorded under this head, as, for example, engineer, lawyer, merchant, tailor, etc.

Column 5 (Nationality). The entry in column 5 should show the country of which the alien is a native or citizen or subject.

Column 6 (Race or people). The entry in column 6 should show the race or people as pertain but to the manifest.

Special attention should be paid to the distinction between race and nationality, and reports should be carefully revised by inspectors and reviewing officers in this regard. For instance, "France" appearing as a country of nationality means "French" by race or people, and similarly "French" appearing as a race or people means "France" by nationality. An alien who is by birth an Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

AFRICAN (BLACK).

The term "African (Black)" refers to all African Negroes or Blacks, coming from Africa or Other Parts of the World, but does not include the Abyssinian, Egyptian, Arab, Moorish, or other African races, unless of admixture of Negro blood, which should be classified as Negro (black).

ARMENIAN.

The people who are native to the mountainous Ararat region of Eastern Asia Minor, and who are commonly referred to as Armenians. This term does not include Syrians, Arabs, Turks, Kurds, Persians, or Jews, although natives of Asia Minor, Syria, or Turkey.

BOHEMIAN.

The people who are natives of that part of Austria known as Bohemia, and who speak the Bohemian language.

Column 7 (Last residence or birthplace). The entry in column 7 should show the country of which the alien last became a resident, whether subject or citizen or not, and the place of birth, if known. The name of the country should be entered, and not that of the province, city, or town. The entry in column 7 should show the country of which the alien is a native or citizen or subject, and not the country of temporary residence, that is, the country of which the alien is a permanent resident. The United States should not be entered as the country of birth of aliens coming from a visit abroad, which should be recorded on manifests as United States or citizen. The following are examples:

Correct. Norway, Sweden, Russia, Germany, Ireland, England, Scotland, Wales, Italy, Spain, Portugal, Greece, Turkey, Syria, Arabia, Persia, Armenia, Egypt, Africa, China, Japan, India, Mexico, Cuba, Porto Rico, West Indies, Central America, South America, Australia, New Zealand, Hawaii, Philippine Islands.

Incorrect. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 7 (Age).—The return of age in column 7 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 8 (Sex).—[illegible] shall be entered M and those of F to each.

Column 9 (Married or single).—The entry in column 9 should be either M married, S single, W widow, or D divorced.

Column 10 (Occupation).—The entry in column 10 should declare what each person has been accustomed to do for support, or assistance, whether professional, mechanical, agricultural, or laborious, or whether of no occupation, as the case may be. Such terms as "gentleman," "lady," "servant," "child," or "scholar" are not sufficiently descriptive, and should not be used. Persons formerly engaged in any trade, but not so employed at present, should be described as "formerly" in such trade. Persons having no occupation, such as children, should be described as "none." Laborers, without specification of the particular kind of labor performed, should be described as "laborer." Persons having special occupations should be described specifically, as "clerk," "weaver," "dressmaker," "engineer," "merchant," "miner," "farmer," "shoemaker," "tailor," "tailoress," "blacksmith," "carpenter," "cook," "waiter," "waitress," "porter," "barber," "printer," "baker," "butcher," "painter," "musician," "servant," "clergyman," "physician," "lawyer," "author," "actor," "actress," "editor," "teacher," "professor," "nurse," "midwife," "bookkeeper," "accountant," "agent," "manufacturer," "broker," "contractor," "dealer," "merchant," "peddler," "trader," "banker," "capitalist," "gentleman," "lady," "student," "stenographer," "typewriter," "clerk," "boarding-house keeper," "housekeeper," "hotelkeeper," "restaurant keeper," "saloonkeeper," "publisher," "soldier," "sailor," "tinner," or other particular description.

A distinction should be made between *farmer* and *farm laborer*, so as to show the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should take this distinction on the part of each and every person booked to be landed, if necessary, by inspectors and record by clerks during the process of examination of aliens arriving.

Aliens intending to pass through the United States should be recorded under heading of occupation as "in transit." The country and the place of destination in the United States, but persons intending to pass through en route to Canada should be recorded as "tourists" under heading of occupation.

Column 11 (Able to read).—Column 11 is to be divided into three columns, wherein should be either Yes or No, according as the person named therein can read or can not read. Yes or No can be written in each column, as the case may be.

Column 12 (Nationality).—Column 12 should be construed to mean the country of which the alien is a citizen or subject.

Column 13 (Race or people).—The entry in column 13 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors at the ports of arrival in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Central or South America, Europe, or Africa. Aborigines of the United States or descendants of Negro blood should be classified under this section.

ITALIAN (SOUTH).

The people who are native to the southern part of Italy, south of the Rivers Po and Arno, comprising the compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and the provinces of Leghorn, Massa Carrara, Lucca, Pisa, Florence, Siena, Grosseto, Ancona, Perugia, Rome, Viterbo,

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely and truly declare that I have been [illegible] years last past engaged as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets [illegible] number [illegible] according to the best of my knowledge and belief, full, correct, and true in all particulars relating to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entry of age in years should be expressed in years or months, the latter only [illegible]

[illegible] The entry in column 3 should show the sex of the person, as given on list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and names should be carefully scanned by inspectors at the time the alien lands. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien whose Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or Haiti or the West Indies, Nicaragua, South America, Europe or Africa. [illegible] Negro blood should be classed under this heading.

[illegible]

The people who are known to be Hebrew, Russian, Polish, German, Italian, Greek, Portuguese, Bohemian, Hungarian, Finnish, Lithuanian, Slovak, Croatian, Slovenian, Dalmatian, Roumanian, Armenian, Syrian, Turkish, Arabian, Scotch, English, Irish, Welsh, Scandinavian, French, Spanish, Italian, South American, Mexican, West Indian, Cuban, Negro, or Chinese race or people, should be so described, whatever may be the country from which they come.

Column 4 (Whether married or single).—The entry in column 4 should show the condition as to marriage of each alien, whether married or single, by the letter "M" for married persons and "S" for single persons.

Column 5 (Calling or occupation).—The entry in column 5 should show the calling or occupation of each alien having such calling or occupation, and if none, the word "None" should be entered. Laborers, without specification of the particular kind of labor performed, should be described as "Laborers," and persons of no occupation, including women and children, should be described as "None."

Aliens who can read should be registered on manifest as United States immigration law requires, but persons visiting abroad should be examined on return to United States to ascertain whether they are returning in pursuance of any contract or agreement to perform labor in the United States, and whether they have the means with which to land.

Column 6 (Nearest relative or friend in country whence alien came).—The entry in column 6 should show definitely the relative (if any) whom the alien has left behind, and the name and address of such relative. It is not sufficient to write merely "Father," "Brother," "Friend," or "Cousin," but the name and address of the relative or friend must be given, and the degree of relationship stated.

Column 7 (Final destination).—The entry in column 7 should show definitely the place in the country of final destination, if within the United States, to which the alien is going.

Column 8 (Whether having ticket to such final destination).—The entry in column 8 should be either Yes (ticket) or No (no ticket).

Column 9 (By whom was passage paid).—The entry in column 9 should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives; friend, steamship company, etc.

Column 10 (Whether in possession of $50 and if less how much).—The entry in column 10 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should first be divided among the several members of the family.

Column 11 (Whether ever before in the United States, and if so, when and where).—The entries in column 11 should show whether or not (Yes or No) in the United States before; and if so, the year or period (by years) and place (as 1892, Philadelphia).

Column 12 (Whether going to join relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 12 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 13 to 29.—The entries in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible] Steamship, solemnly, sincerely, and truly declare that I have had [illegible] years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer or First or Second Officer.

I, , of the , from , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The entry should be either M (married) or S (single). Widowed or divorced persons should be returned as single.

Column 7 (Calling or occupation).—The entry in this column should describe as clearly as possible the occupation which each person named has followed during the past year or since coming to the United States, if he has been employed within that period. If he has been employed at more than one occupation during the past year, the one at which he was last employed should be returned.

A description should be used here only *words* and *terms* in common use, and the meaning of the words is shown, as follows:

A farmer is one who operates a farm, either his own or others.

A farm laborer is one who works on a farm for the general operator.

Search precompared should make this distinction, and careful examinations and corrections should be made, if necessary, by inspectors and reports thereon made to the commissioner examination of alien arrivals.

All persons coming to pass through and out of the United States should be recorded under head of occupation as "in transit." The occupation of a temporary sojourner in the United States, but not intending to pass through, in transit, should be recorded as "visitor" under head of occupation.

Column 8 (Able to read or write).—Column 8 is also to be filled in, and the entry should be either Yes (or Y) or No (or N) as to each alien over 14 years of age, whether he can read or can read and write, or can neither read nor write.

Column 9 (Nationality).—Column 9 is to be answered to mean the country of which the alien is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in the caption at the head of the manifest.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors so as properly to distinguish in regard to these matters. For instance, "France" appearing on a manifest does not necessarily mean French by race or people and similarly, French appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who has emigrated from Cuba or other island of the West Indies, Central or South America, Europe or Africa. [illegible] appearance and not to that of an admixture of Negro blood should be classified as black, or hearing.

HEBREW.

The people who are native to the [illegible] River Palestine [illegible] Asia Minor, comprising the Provinces of Lebanon, Northern Palestine, Southern Palestine, Syria, Mesopotamia, Babylonia, Assyria, Phoenicia, Armenia, Kurdistan, Arabia, Chaldea and Persia. Hebrew includes Jew, Polish Jew, Russian Jew, German Jew, Roumanian Jew, Moorish Jew, Spanish Jew, Portuguese Jew, Italian Jew, etc.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the heads of the Rivers Po, Arno, Rubicon, Metauro and Liri, comprising the ancient Provinces of Latium, Umbria, Roma, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and their descendants, should be classified as Italian (south).

Column 11 (Last permanent residence).—The entry in column 11 should show the last permanent residence of the alien, if he has resided for a year or more in a country other than that to which he belongs by birth or citizenship. If he has not resided for a year or more in a country other than that to which he belongs by birth or citizenship, the entry in column 11 should be the same as that in column 12. Mere temporary residence in a country other than that of birth or citizenship, for the purpose of visiting, trading, pleasure, health, or curiosity, or while en route to a permanent residence in another country, should not be regarded as residence within the meaning of this column.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give the name and complete address of the nearest relative or friend in the country whence the alien came. If no such relative has been left behind, the fact should be stated.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (or Y) or No (or N).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as "self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as "1896, Philadelphia").

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon at the [illegible], solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

TOTALS.

Affidavit of the Master or Commanding Officer or First or Second Officer.

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly swear: that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feebleminded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Officer.

Sworn to before me this [illegible] *day of* [illegible], 190[illegible]

at [illegible]

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns (*Ages*). The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column (*Sex*). [illegible] Male, or Female.

Column (*Married or single*). The entry should be either M (married), S (single), Wd (widow), or Div (divorced).

Column (*Calling or occupation*). The entry in column 5 should describe as exactly as possible the occupation that each person mentioned has been accustomed to follow in his native country. Titles which indicate [illegible] should be avoided. Such terms as "gentleman," "lady," "servant," "nurse," "boy," "girl," "child," and the like are indefinite and unsatisfactory. Use rather such terms as "merchant," "clerk," "tailor," "seamstress," "dressmaker," "engineer," "mechanic," "farmer," "farm laborer," "laborer," or the like, which show definitely the character of the occupation followed.

A distinction should be made between *farmer* and *farm laborer* in accordance with the ordinary acceptation of these terms.

A *farmer* is one who owns a farm, either his own or another's.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make the distinction between these two classes, and corrections should be made if necessary by inspectors and others examining the original examination of aliens' affidavits.

Aliens intending to pass through and not to remain in the United States should be recorded under this head of occupation as "in transit." Those intending to become temporarily sojourners in the United States, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Column (*Able to read*). Column 6 should be answered Yes or No, as the case may be. Yes means that the person can read some language. No means that he cannot read any language. Write or Write and Read should be entered as Yes.

Column (*Nationality*). Column 9 should be answered to mean the country of which the alien is a citizen or subject.

Column (*Race or people*). The entry in column 9 should show the race or people as given in the list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and head-tax clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, who is native to Africa, Cuba or other island of the West Indies, Northern South America, Central America, Mexico, or the United States. Any appearance indicates an admixture of Negro blood, and should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (north)."

ITALIAN (SOUTH).

The people who are native to the peninsula and south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column (*Last permanent residence*). The entries in column 10 should show the country of last permanent residence. By "permanent residence" is understood the actual home of the alien, as distinguished from a temporary sojourn in another country. Where no answer appears, or where the answer is "U. S.," the alien's last permanent residence is presumed to be the United States, and no further inquiry need be made. Where the last permanent residence is stated to be any country other than the United States, the alien should be required to show that he has resided therein for a sufficient length of time to establish such residence.

Column (*Cities and complete address of friend or relative in the United States to whom alien is going*). The entry in column 11 should give the name and complete address of the relative, friend, or other person to whom the alien is going, as far as known to the alien.

Column (*Final destination*). The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, county, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17. (*Whether ever before in the United States, and if so, when and where*). The entries in column 17 should state whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place as nearly as possible.

Column 18 (*Going to join relative or friend, and if so, what relative or friend*). The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1, Page 1. The consecutive page in each book should be expressed in words or numbers, the latter preferred.

Column 2, Ship's name. [illegible]

Column 3, Voyage. [illegible]

Column 4, Name. [illegible]

Column 5, Age. Write the age in each case, and if under 1 year state the number of months, thus: "6 mos." or "9 mos."

Column 6, Sex. Write "male" or "female," or "M." or "F."

Column 7, Married or single. Write "married" or "single," or "M." or "S."

Column 8, Calling or occupation. Write the calling or occupation of each person, if any, as "laborer," "servant," "farmer," "merchant," "tailor," "clerk," "shoemaker," "no occupation," etc. Do not use the word "none" in this column. Wives should not be returned as having occupations unless they have regular occupations by which they support themselves independently of their husbands.

Column 9, Can read. Write "yes" or "no" to show whether or not each person can read.

Column 10, Can write. Write "yes" or "no" to show whether or not each person can write.

Column 11, Country of which citizen or subject. Write the name of the country to which each person mentioned belongs, as nearly as can be determined.

Column 12, Race or people. The entry in column 12 should show the race or people as given to the inspectors at the time of inspection.

Special attention should be paid to the distinction between race and nationality, and reports should be carefully revised by inspectors and registry clerks in this regard. For instance, France, Argentine Republic, Cuba, and Mexico are countries, and "French," "Spanish," "Cuban," and "Mexican" are races or peoples, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is born a citizen or subject of one country may be a resident of another country and might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICA, BLACK

African (black). A native of Africa (a Negro), which is coming from Cuba or other West Indies, Mexico, Central or South America, Europe, Asia, or elsewhere, should be described as a Negro, but if born in the United States should be described as a native.

HEBREW, JEW

The people who are known as the Israelites, Hebrews, Jews, the house of the Race, Tribe, Nation, or People [illegible] Mosaic Dispensation [illegible] Canaan, Palestine, Syria, Asia Minor, Africa, Spain, Italy, Sicily and Sardinia, and [illegible] Europe [illegible] Hebrew race.

TOTALS.

Affidavit of the Master or Commanding Officer or First or Second Officer.

I, [illegible], of the [illegible] from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing thereunto, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in each case should be expressed in years or months, the latter applying to children under one year of age.

Column 4 (Sex). [illegible]

Column 5 (Married or single). The entry in this column should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Occupation). [illegible] should be entered in this column, and if none, that fact should be shown by a dash (—). Common laborers should be described as such, and not by the general term "laborer," which is indefinite. Do not use the word "servant" unless the person is employed as a servant in a household. Be specific. Such terms as "manufacturer," "agent," "dealer," "clerk," "merchant," "gentleman," "lady," "boy," "girl," "child," and "baby" are indefinite and unsatisfactory, and should not be used.

Column 7 (Can read). Before answering this question the alien should be required to read a few lines of the printed matter contained in his manifest. If he can read, write the word "Yes" in the column; if he cannot read, write "No." Do not use the ditto mark (") for either Yes or No, and be sure to fill the column.

Column 8 (Native country). Write in this column the name of the country of which the alien is a native or subject.

Column 9 (Race or people). The entry in this column should show the race or people as given in the column heads on the manifest.

Special attention should be paid to the distinction between race or nationality and manner should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" upon a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to all [illegible] from Cuba, other islands of the West Indies, South or Central America, Europe, Asia, or elsewhere, who are of unmistakably African blood, including the descendants of such.

HEBREW.

The people who are native to the [illegible] Russia, Poland, Germany, Austria-Hungary, France, England, Holland, Italy, and other countries, and who are Hebrews by religious belief, whether they be actually Semitic or not. Most of these people [illegible] Hebrew race.

IRISH.

The people who are natives of the part of that island known as the Province of Ulster and the counties of Cavan, Leitrim, Sligo, Mayo, Galway, Roscommon, Clare, Limerick, Kerry, Cork, Waterford, Tipperary, Kilkenny, Carlow, Queens, Kildare, Wicklow, Wexford, King's, Meath, Westmeath, Longford, Louth, Dublin, Meath, Westmeath, Longford, Louth, Dublin, Kildare, Wicklow, Wexford, King's, Queens, Carlow, Kilkenny, Tipperary, Waterford, Cork, Kerry, Limerick, Clare, Galway, Mayo, Sligo, Leitrim, Roscommon, Cavan, and Monaghan, and their descendants, and who are Irish by birth or parentage.

Column 10 (Last permanent residence). The entry in this column should show the last place of permanent residence of the alien. The purpose of this is to ascertain as far as possible whether the alien has been in the habit of residing in some other country for a long period of years, and if so, which country. If he has been in the habit of residing in the country of his nationality, that fact should be shown.

Column 11 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address). The entry in this column should show whether the alien has friends or relatives in the United States to whom he is going, and if so, should give the name and complete address of such friends or relatives. The object of this is to ascertain whether the alien is going to join relatives or friends, or is going to some place where he has no friends or relatives, and where he may become a public charge.

Column 12 (Ever in prison, etc.). The entry in this column should show whether the alien has ever been in prison or almshouse or an asylum for the insane or supported by charity, and the cause thereof.

Column 13 (Whether a polygamist). The entry in this column should be either Yes or No.

Column 14 (Whether coming under contract to perform labor). The entry in this column should be either Yes or No.

Column 15 (Whether in possession of ticket through to ultimate destination). The entry in this column should be either Yes (ticket) or No (no ticket).

Column 16 (By whom was passage paid). The entry in this column should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not (Yes or No in full) the United States before, and if so, the year (or period of years) and place or places, if shown, [illegible].

Column 19 (Coming to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer or First or Second Officer.

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only in the case of children under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be "M" for male or "F" for female.

Column 5 (Married or single).—The entry in column 5 should be "M" for married, "S" for single, "Wd" for widow or widower, or "D" for divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe the occupation, if any, at which each alien named in the manifest has been employed during the past year or since last coming to the United States, whether such occupation be professional, skilled, or unskilled labor, or no occupation, as the case may be. Such terms as "laborer," "servant," "clerk," "gentleman," "lady," "none," or "at home" are not sufficiently descriptive, and should not be used unless they are modified so as to indicate the character of the labor performed, as in the case of "laborer on railroad," "servant, cook," "clerk in store," "gentleman farmer," "lady's maid," "none, infant," "at home, housework," etc. Where a person has been employed at different occupations during the past year, the principal occupation should be given.

A *farmer* is one who owns or rents a farm, either for his own or others.

A *farm laborer* is one who works on a farm for the land owner or renter.

Steamship companies should make their tickets to specify the occupations which should be made necessary by inspectors and recorded during the process of examination of aliens at arrival.

Aliens entitled by treaty to pass through the United States should be recorded under head of occupation as "tourist." Those coming to the United States but not intending to pass through or remain should be classed as "visitor" under head of occupation.

Column 7 (Whether able to read or write).—Column 7 commands the following: The term should be either Yes (Y) or No (N). Not "can read a little" or "can write a little," but Yes (Y) or No (N), as the case may be.

Column 8 (Nationality).—Column 8 should be devoted to showing the country of which each alien named is a native or citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people assigned in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and names should be carefully revised by inspectors and corrected where necessary in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK.

"African (black)" refers to the Africans, Negroes, which comprise the Congo, Guinea, Gold Coast, and other African countries, and also the Negroes of the West Indies, North, or South America, and Europe. Africans, Negroes, of mixed appearance and admixture with Malay or Negro blood, should be classed under this heading.

HEBREW OR JEWISH.

The people who are native to the countries of the Near East, bordering on the eastern end of the Mediterranean Sea, formerly Western Asia, including Palestine, Syria, Asia Minor, Mesopotamia, Persia, Arabia, and Egypt, belong in Hebrew. Semites and Western Europeans, of the Jewish religion, should be classed as Hebrew. Modern Jewish people are not a race, but a religious sect.

ITALIAN (SOUTH).

The people who are native to the southern part of the Italian peninsula and the island of Sicily, comprising the former Kingdom of Naples, the Papal States, Tuscany, and Sardinia, are classed as Italian (South).

Column 10 (Last permanent residence).—The entries in column 10 should show the last permanent residence of each alien named, whether in the United States or elsewhere. The purpose of this column is to show whether the alien has been living in the United States or in some foreign country, and if in the United States, whether in a city or in the country. Where the alien has been living in a city, the street address should be given, if possible.

Aliens who have been naturalized should be returned as having their last permanent residence in the United States, and should be treated as "United States" in answering question 11.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should show the name and complete address of the nearest relative or friend in the country from which the alien came. It is not sufficient to give merely the initials of the Christian name.

Column 12 (Intended destination).—The entry in column 12 should show definitely the place (city or town) of intended residence within the United States, country if outside the United States.

Column 14 (Whether having been in prison or almshouse or institution for insane or supported by charity).—The entry in column 14 should be either Yes (Y) or No (N).

Column 15 (Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, mother, other relatives, friends, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (city, town, or State).

Column 18 (Coming to join relative, friend, or other person, and if so, what relative or friend, and his name and complete address).—The entry in column 18 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19–21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.
